</tbody>
</table>

- Leverage Learning Management System capabilities to select training courses, view learning progress and report learning programs and history.
- Benefit from innovative HRO Learning Rooms where users get access to knowledgeable HRO experts and collaborate and network with fellow learners.
Benefit from unlimited access during your 12-month subscription to a robust and continually growing catalogue containing HRO educational and training content.

- **Video Series**  
  Sent via e-mail and available in our new content library.

- **E-Learning Modules**  
  Available on our Learning Management System platform or can be transferred with license to the subscribing organization’s pre-existing learning management system. Includes initial 12 modules.

- **E-Books**  
  Sent via e-mail monthly and available in our new content library. Includes initial 12 books.

- **HRO Workshops**  
  Includes registration(s) to our “High Reliability Strategy Workshop.” Ten workshop registrations are included with Organization Edition Subscription.

- **Invitation to Annual HRO Summit**  
  This invite-only event takes place at the annual “What’s Right in Health Care Conference.” Invitations include a private event dinner. Registrations are included with Organization Edition subscription.

- **Package of HRO Publications**  

- **Library of HRO Content**  
  Access through a private Learning Lab portal to our High Reliability Content. For those unable to participate in our monthly webinar series, these webinars will be recorded and made available through the library.

- **Access to Virtual HRO Experts**  
  Get your questions answered, discuss HRO strategies, and learn tips for success in your journey.

- **Monthly Webinar Series**  
  Join our monthly webinars to learn more about high reliability topics and hear about improvements being realized by other members and organizations. Lead by HRO experts, these webinars are open to all users and are recorded and uploaded in our HRO Library.

- **Individual and Organizational Recognition Program**  
  Individuals and organizations that continue to demonstrate a high level of HRO development and utilization will be eligible to participate in our annual recognition awards program.

- **Continuing Education Credits**  
  CEUs are available to those individuals who attend our “High Reliability Strategy Workshop” or complete our e-learning modules.
